

Introducing the Newest Online Advertising Opportunity ...*Floating* Banner Ad

The screenshot shows the Naples Daily News website interface. At the top, it displays the site name 'naplesnews.com' and the current weather: 'Currently: 82° Forecast: Partly Sunny with Thunder Showers'. A navigation menu includes Home, News, Sports, Multimedia, Studio55, Entertainment, Lifestyle, Opinion, Participate, Obits, Jobs, Cars, Homes, and Classifieds. A search bar is present with a 'go' button. The main content area features a large image of a sailboat on the water. A prominent orange circular graphic with the text 'PROMOTE YOUR BUSINESS HERE' is overlaid on the page. To the right, there is a yellow advertisement for Disney Deluxe Villa Resorts, priced at \$199 per night. Below that is a 'Let Us Help You!' button with a question mark icon. At the bottom right, there is a video player for 'Studio 55: Morning News Update' sponsored by SEANCHOR.COM.
